Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the attorney on several occasions to enquire whether applicant had responded to the Office Action of 10/8/02. The attorney stated that a RCE had been filed but that he did not have a copy of the mailing receipt postcard. The examiner told Mr. Ames that a copy of the originally filed RCE and proof of mailing would be required in order to give applicant benefit of the mailing date for the RCE. In the most recent conversation, on 11/17/03, Mr. Ames stated that he would fax copies of the RCE and proof of mailing to the PTO. The examiner requested a follow-up call for confirmation of either the RCE fax or abandonment (i.e. if proof of mailing could not be produced). As no further communication has been received by the examiner as of 12/11/03, the case is considered abandoned. .
